"I am so Blessed" is a song we sometimes sing here at Unity of WS. Our Church and the Unity Community is truly so blessed with loving, caring, sharing, giving, talented, prosperous, harmonious people growing spiritually together. It is amazing to me when I look at all the gifted people in one place at one time.

I wonder, why are there so many magnificent souls at Unity on Sunday morning? My first thought is, "Divine Order." Okay so what's next? Then I flash to our newest series, "Relaxed Chats" that happens on the 4th Sunday of the month! People need a place where we can come together with an open heart, and open mind. A place where we can come to know each other and see what we, as a community, can bring to Winston Salem that will help spread the light of love and oneness. Wouldn't it be exciting to be a part of something bigger than ourselves? As we begin working together, sharing our gifts and talents, we just might discover the true understanding of being a light in the world.

You do not have to be a member of Unity to come, just come! 😊

The next "Relaxed Chat" is on June 25 at 7:00pm here at Unity Church of Winston Salem. Our topic will be "Alternative Healing." If you are in the healing profession and want to come and make others aware of your method of healing, come be with us! If you're in the need of some healing, come join us!

We might just come up with a way to change the world, TOGETHER!

The world is changing! May we remember that WE ARE THE CHANGE WE HAVE BEEN LOOKING FOR!

Love, Light and Peace from the Heart,
Reverend Elizabeth
